

As Pastoral Care Minister, John visits members and visitors who are in the hospital, as well as those who are shut-in. He also visits those who are sick in their homes, performs funerals, and offers a listening ear and a prayer to those who are in times of crisis or difficulty. John has been in ministry for 16 years. LRUMC shares John with his wife, Chloma, four children, and eight grandchildren whom he loves to visit. He also loves to fish!
